

H8 Defining Moments/Decades

Instructions:

- Go to EASE History -- <http://www.easehistory.org/>
- Search on Decade. [EASE History Historical Events>Decades]
- Select between 10 and 20 events that you think are the defining moments of the decade.
- Create a survey instrument that will ask participants for general background information (age, sex, etc.) and have them rank order the defining moments of your assigned decade/topic.
- Collect data. (Ask relatives, teachers, members of the community, and fellow students.)
- Crunch the data.
- Represent data in multiple formats. (Bar graph, pie chart, etc.)
- Discuss results

- According to the survey results, what were the three defining moments of the decade/topic?
 - Was there consensus?
 - Are there differences between age groups?
 - Are there differences within age groups?
 - Are there differences between males and females?
